Career Objective

Frontend-focused Web Developer with hands-on on-site training experience in building and deploying scalable Single Page Applications. Seeking an entry-level frontend or full-stack role where I can contribute using React, TypeScript, and modern web technologies while continuously improving product quality, performance, and user experience.

Education

Master of Computer Applications (MCA)   **2025 − 2027**
Lovely Professional University

Bachelor of Computer Applications (BCA)   **2022 − 2025**
DAV College, Jalandhar

Technical Skills

Languages: HTML, CSS, JavaScript (ES6+), TypeScript
Frontend: React.js, Vite, Tailwind CSS, Bootstrap, EJS
Backend (Working Knowledge): Node.js, Express.js, NestJS, REST APIs
Database: MongoDB, MySQL
Tools: Git, GitHub, Shopify, Postman, Heroku

Work Experience

Frontend Developer Trainee   **Sept 2025 − Dec 2025**
CSharma Consultancy (On-site)

— Developed and maintained production-ready Single Page Applications using React, TypeScript, and Vite.
— Created reusable UI components and implemented smooth client-side routing with React Router.
— Integrated Shopify REST APIs and worked closely with NestJS backend services.
— Handled deployment on Heroku and resolved build, routing, and performance issues.

Project Experience

EventElite   **Jan 2025 − June 2025**

— Developed a full-stack event management platform with authentication and role-based workflows.
— Handled event registrations and optimized SQL queries for improved performance.
— Tech Stack: HTML, CSS, JavaScript, Node.js, SQL.

RentNest − Airbnb-Style Booking Platform   **July 2025 − Sept 2025**

— Built an Airbnb-style rental platform using Node.js, Express, EJS, and MongoDB.
— Implemented authentication, CRUD operations, and booking workflows following MVC architecture.
— Improved responsiveness and optimized database queries for better performance.

Personal Portfolio Website   **Jan 2026**

— Built and deployed a fully responsive personal portfolio website within 2–3 days using React, Vite, and Tailwind CSS.
— Designed clean, modern UI to showcase projects, technical skills, and professional experience.
— Optimized for performance and mobile-first responsiveness across devices.

Certifications

- **Full MERN Stack Web Development** – Apna College (2024)

- **NIIT Foundation Program** – Infosys Foundation (2024)
